Hamilton CarShare is a non-profit co-operative which provides 24-hour, self-serve access to a fleet of three vehicles. Reservations for carshare vehicles can be made for as little as 30 minutes, or as long as needed. Co-op members are billed monthly for insurance and vehicle use, and gas and maintenance costs are included in the co-op's rates. Carsharing is a great alternative to owning your own vehicle, and reduces overall transportation costs for households.
