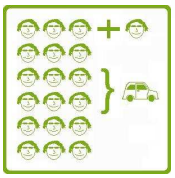
How it works

Hamilton CarShare

905-543-4411 info@hamiltoncarshare.ca

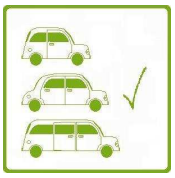


Join it

Associate memberships are just $10 (age 16+). Get great discounts! Driving memberships put you in the driver's seat (age 21+).

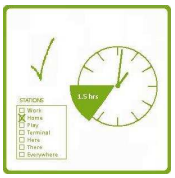
Choose it

Make the greenest transportation choice for every trip. Consider the costs to your bank account and the planet. Use wheels with wisdom.



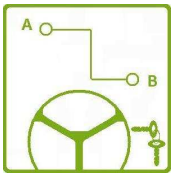
Size it

Select the vehicle that best meets your needs for this trip. Just you and a briefcase? Go efficient! Big run for building materials? Go big!



Book it

Reserve the closest available vehicle, by phone or online. Stations are self-serve 24/7, with locations across the community.



Drive it

Go to the car, use your member key, and off you go! Bring the car back to its location, and cancel any excess reservation time left over.

Charge it

Receive a monthly invoice with each trip listed. Insurance is the only fixed cost ($14), and trip rates include gas, maintenance, and more.

Dig it

Soon, you'll notice how carsharing can save you money, reduce pollution, and improve our community for all our neighbours!

Grow it

Connect the co-op with your employer, school, place of worship, family, and friends. Help out at events, and invest in debentures.
